Management's Report

Activity

The principal activity of Danske Private Equity A/S (the "Company") is to offer small & mid market buyout fund-of-funds products to investors in and outside Denmark ("Danske PEP").

Danske PEP pays the Company a fixed management fee and a carried interest if returns on the products exceed a pre-agreed level (preferred return).

The Company is a licensed Alternative Investment Fund Manager (AIFM). The Company is wholly owned by Danske Bank A/S.

Events in 2022

During the year 2022 the Company continued to focus on executing on new investments and sourcing potential investments ahead of the expected launch of the next PEP fund thereby securing a continued strong pipeline.

Several cost reduction initiatives have been made during 2022 which reduces the Company's administrative costs. Ongoing initiatives to streamline the operations have continued.

Financial performance in 2022

The Company reported a pre-tax profit of DKK 84.0 million (2021: pre-tax profit of DKK 18.3 million) and a profit after tax of DKK 65.9 million (2021: profit of DKK 14.1 million after tax).

In the financial year, the Company received and recognised DKK 287.1 million in carried interest from previously managed funds. The Company's share of this amount was DKK 100.5 million. DKK 148.4 million of the received and recognised carried interest amount relates to external parties and has been recognised as a fees and commissions expense according to the accounting policies. The Company is under an obligation to settle DKK 338.6 million of the received and recognised amount at a later date, why such amount is recognised as a provision.

The Company's staff costs amounted to DKK 49.8 million, which was DKK 31.6 million higher than in 2021. Staff costs are on level with 2021 when adjusted for staff costs related to carried interest received.

The Company's administrative expenses amounted to DKK 8.3 million, which was DKK 1.1 million higher than in 2021. The increase is caused by a one-off expense of DKK 2.5 million, in relation to future operations.

The positive results in 2022 is therefore mainly attributable to carried interest received in 2022.

The financial performance for the year is consistent with previous guidance when taking the financial impact of the carried interest received into consideration.

The Board of Directors proposes that a dividend of DKK 75.9 million is to be paid in respect of 2022. The profit for the year is appropriated as shown in the income statement.

Management's Report, continued

Risks and uncertainties

The Company's income from the offered fund-of-funds products is based on developments in the management fee base. The base is correlated with the amount of investor commitments and, during the realisation period, with the reduction of the value of the investment portfolio due to the performance and exit activity of the portfolio funds.

Outlook for 2023

In 2023, the financial performance of the Company will depend on the development of the vintage PEP funds and the increase in asset under management from expected launch of new fund products.

For 2023, the Company expects to receive carried interest from former managed Danske PEP entities that is lower compared to 2022.

The Company's administrative expenses and staff costs are generally expected to be on a level with 2022 when adjusted for staff costs related to carried interest.

Profit for 2023 is expected to be lower than the previous year.

Events after the balance sheet date

No events have occurred between 31 December 2022 and the date of the signing of the financial statements that, in the opinion of the management, will materially affect the Company's financial position.

Remuneration

The Company's remuneration policy reflects its goals of having a well-regulated governance process as well as sustained and long-term value creation for the shareholder. The policy further ensures that

- the Company can attract, develop and retain high-performing and motivated employees in a competitive market,
- that the employees are encouraged to create sustainable results, and
- that there is a correlation between the best interests of the shareholder, the alternative Investment funds managed by the Company and the investors and the employees.

Further, the policy focuses especially on ensuring sound and effective risk management.

The Board of Directors will in 2023 still be remunerated on a fixed fee basis if not employed in the Danske Bank Group. Any adjustment of the fee will depend on factors such as the level of activity in the Company. Remuneration of The Executive Board in 2022 was based on a fixed and variable fee structure and a share of carried interest.

The Executive Board will continue to be remunerated on a fixed fee basis in 2023 and it will also have the opportunity to earn a variable fee. The fee is expected to be adjusted with due consideration to the level of activity in the Company, general wage developments in society and individually determined targets. The Executive Board will also be able to earn a share of carried interest related to certain funds. The remuneration of other material risk takers will still be on a fixed fee basis, and specific risk takers will have the opportunity to earn a variable fee and a share of carried interest related to certain funds. Any variable remuneration will be made with due consideration to individually determined targets. Certain other material risk takers earned share of carried interest in 2022. Individual remuneration of the Executive Management and the Board of Directors can be found on Danske Private Equity A/S' website, danskeprivateequity.com.

Management's Report, continued

Diversity and inclusion

Danske Private Equity A/S follows Danske Bank Group's sustainability policy including gender distribution in the management. Information regarding the Group's sustainability policies can be found in Danske Bank's Group Financial Statement for 2022. Currently 14% of employees in Danske Private Equity A/S are female.

Sustainable Finance Disclosure Regulation

The Company is comprised by SFDR as a financial market participant. The product reporting is included in the fund's reports. The funds' policies for compliance with Articles 5 can be found here: <https://danskeprivateequity.com/about-us>

Knowledge resources

The Company's activities are carried out by the Company's employees, and great attention is given at all times to retaining and strengthening employee skills, as the employees' knowledge resources are subject to demanding specialist requirements due to the nature of the activities. The Company's compliance function has been outsourced to Asset Management Tribe, a division of Danske Bank A/S. The Company's risk management function has been outsourced to Danske Invest Management A/S, a subsidiary of Danske Bank A/S. Final responsibility for tasks performed by these collaborative partners rests with the Company.

The Company's share capital, which is not divided into share classes, is divided into 1 share of TDKK 5,000 and 1 share of TDKK 1,000.

The company is a wholly-owned subsidiary of Danske Bank A/S, Copenhagen and is included in the consolidated financial statements of Danske Bank A/S. The consolidated financial statements of Danske Bank A/S are available from the company on request.

Notes

1 Accounting policies

The annual report for 2022 is presented in accordance with the provisions of the Danish Alternative Investment Fund Managers etc. Act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit Institutions and Investment Companies, etc.

The accounting policies applied in the preparation of the annual report are consistent with those of last year.

A part of Other Payables has been reclassified to Other Provisions in 2021.
The reclassification has no effect on equity or profit/loss statement.

The financial statements are presented in DKK.

Translation of foreign currency

Assets and liabilities in foreign currencies are translated into Danish kroner on the basis of the rates of exchange published by Danmarks Nationalbank at the balance sheet date. Income and expenses denominated in foreign currency are translated into Danish kroner using the exchange rates prevailing at the time of transaction.

Recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All costs are also recognised, including amortisation, depreciation and impairment losses.

Assets are recognised in the balance sheet when it is probable that future economic benefits will accrue to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the Company, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Fees and commissions income

Fees and commissions income comprise income generated by the small & mid market buy out fund-of-funds contracts offered by the Company in the form of regular management fees and gross carried interest. Gross carried interest are recognised when their realisation is considered likely, which is assessed to be in connection with payment. The employees' share of carried interest is recognised as staff costs.

Fees and commissions expenses

Fees and commissions expenses comprise payments for mediation regarding the fund-of-funds contracts offered by the Company and advisers, external managers and others' share of carried interest.

Notes, continued

Staff costs and administrative expenses

The items includes salaries and other remuneration that the Company expects to pay for work carried out during the year. These include salaries, share of carried interest, pension costs, holiday allowance and financial services employer tax, etc. The item also includes costs incurred during the year for office premises, IT, travel costs and other costs associated with the Company's operations.

Financial income and expenses

Financial items include interest received on cash accounts, etc.

Tax

Calculated current and deferred tax on the profit for the year and adjustments of tax charges for previous years are recognised in the income statement.

Receivables

Receivables are measured at amortised cost, which usually corresponds to nominal value. Provision is made for bad debts at the net realisable value.

Deferred tax

Deferred tax on all temporary differences between the tax base of assets and liabilities and their carrying amounts is accounted for in accordance with the balance sheet liability method. Deferred tax is recognised in the balance sheet under "Deferred tax assets" or "Provisions for deferred tax". Deferred tax is measured on the basis of the tax regulations and rates that, according to the rules in force at the balance sheet date, will apply at the time the deferred tax is expected to crystallise as current tax.

Changes in deferred tax due to changes in tax rates are recognised in the income statement.

Prepayments

Prepayments comprise costs incurred relating to subsequent financial years.

Provisions

Provisions comprise of carried interest bonus and are recognised when the Company has a legal or constructive obligation that arises from past events and it is probable that an outflow of financial resources will be required to settle the obligation. When provisions are recognised the payment date is undetermined.

Provisions are measured at net realisable value.

Liabilities

Liabilities are measured at amortised cost, which usually corresponds to the nominal value.

Deferred income relates to fees and commissions received in advance and management fees which still do not meet the criteria for recognition as income.

Principles for transactions between group entities

The Company is part of the Danske Bank Group, which consists of a number of separate legal entities. Related party transactions are settled on market terms. Expenses incurred centrally are billed to the individual group entities as calculated unit prices based on consumption and activity in accordance with the rules on transfer pricing or at market prices if such prices exist.

11 Contingent assets

The Company's share of allocated carried interest in current and previously managed entities is estimated to DKK 617 million at 31 December 2022. The size of the amount and the time of disbursement are subject to significant uncertainty. Because of this uncertainty, carried interest is not recognised until at the time of disbursement.

12 Collateral security and contingent liabilities

The Company is jointly taxed with all entities in the Danske Bank Group and are jointly and separately liable for their Danish income tax, withholding tax, etc. The Company is registered jointly with all major Danish subsidiaries of the Danske Bank Group for financial services and employer tax, for which it is jointly and severally liable.

The Company has no rent commitments.

Other than this, the Company has no contingent liabilities or collateral security.

13 Related party transactions

The Company has had the following transactions with Danske Bank Group.

Related party transactions are settled on an arm's-length basis and according to contractual agreement between the undertakings, unless the transactions are insignificant.

	2022	2021
Fee and commissions expenses	103	3,391
Various costs of administrative functions	4,014	4,856
Expenses for premises	281	345
Interest on bank deposits	1,585	1,885
Other receivables	261	57
Bank deposits, year-end	471,157	280,425
Other payables	2,103	27,120

14 Financial risks

The Company's income from the fund-of-funds product offered depends on developments in the management fee base, which mainly relies on the original investor commitments and, to some extent, on the reduction in the value of the investment portfolio due to price developments in financial markets and the exit activity in the underlying portfolio funds.

The Board of Directors regularly discusses the Company's capital requirement and risks, most recently at the board meeting held on 16 December 2022.

Statement by the Management

The Board of Directors and the Executive Board (The management) have considered and approved the annual report of Danske Private Equity A/S for 2022.

The annual report have been prepared in accordance with the provisions of the Danish Alternative Investment Fund Managers etc. act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit Institutions and Investment Companies, etc.

In our opinion, the financial statement gives a true and fair view of the Company's assets, liabilities, total equity and financial position at 31 December 2022 and of the results of the Company's operations for year 2022. Moreover, in our opinion, the management's report includes a fair review of developments in the Company's operations and financial position and describes the significant risks and uncertainty factors that may affect the Company.

The management will submit the annual report to the general meeting for approval.

Copenhagen, 20 February 2023.

Independent auditor's report

To the shareholder of Danske Private Equity A/S

Opinion

We have audited the financial statements of Danske Private Equity A/S for the financial year 01.01.2022 - 31.12.2022, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies.

The financial statements are prepared in accordance with the Danish Alternative Investment Fund Managers etc. Act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit Institutions and Investment Companies, etc.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2022 and of the results of its operations for the financial year 01.01.2022- 31.12.2022 in accordance with the Danish Alternative Investment Fund Managers etc. Act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's responsibilities for the audit of the financial statements section of this auditor's report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Alternative Investment Fund Managers etc. Act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit Institutions and Investment Companies, etc., and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Independent auditor's report, continued

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent auditor's report, continued

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Executive Order on Financial Reports for Credit Institutions and Investment Companies etc.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Alternative Investment Fund Managers etc. Act, the Danish FSA's Executive Order on general rules for financial statements and audit of Alternative Investment Fund Managers and the Executive Order on Financial Reports for Credit Institutions and Investment Companies, etc.

We did not identify any material misstatement of the management commentary.
