Management's Statement

Today, Management has considered and adopted the Annual Report of PGSC Shipping A/S for the financial year 1 January 2017 - 31 December 2017.

The Annual Report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the assets, liabilities and financial position of the Company at 31 December 2017 and of the results of the Company's operations for the financial year 1 January 2017 - 31 December 2017.

In our opinion, the Management's Review includes a true and fair account of the matters addressed in the review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

The independent auditor's report

To the shareholders of PGSC Shipping A/S

Report on extended review of Financial Statements

We have conducted an extended review of the Financial Statements of PGSC Shipping A/S for the financial year 2017 . The Financial Statements that comprise Accounting Policies, Income Statement, Balance Sheet and Notes are prepared in accordance with the Danish Financial Statements Act.

Management's responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with the Danish Financial Statements Act, and for such internal controls as Management determines is necessary to enable preparation of Financial Statements that are free from material misstatements, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the Financial Statements. We have conducted our extended review in accordance with the Danish Business Authority's report standard for small enterprises and Danish Auditors' (FSR) standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act.

This requires that we comply with the Danish Act on Auditors and Audit Firms as well as Danish Auditors' (FSR) ethical rules and plan and perform procedures with a view to obtaining limited assurance for our opinion on the Financial Statements and, in addition, perform supplementary procedures specifically required with a view to obtain additional assurance for our opinion.

An extended review primarily includes making inquiries to Management and, where appropriate, to others in the company, analytical procedures and specifically required supplementary procedures as well as an assessment of the proof obtained.

The scope of procedures conducted in an extended review is smaller than for an audit, and we therefore do no express any audit opinion on the Financial Statements.

Our extended review has not resulted in any qualification.

Basis for adverse opinion

There are undeclared disputes regarding payments of the company's receivables against PGSC Ltd on t.DKK 594 which is recognized in "other receivables". PGSC Ltd refuses to pay and the management considers to file for bankruptcy. This situation indicates significant uncertainties relating to going concern, where the company will not be able to fulfill its liabilities. It is our opinion that the Financial Statements do not give a true and fair view of this matter.

Adverse Opinion

Based on our work and as a consequence of the importance of the adverse opinion given, it is our opinion that the Financial Statements do not give a true and fair view of the assets, liabilities and financial position of the Company at 31 December 2017 and of the results of the Company's operations for the financial year 1 January 2017 - 31 December 2017 in accordance with the Danish Financial Statements Act.

The independent auditor's report

Statement on Management's Review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of opinion providing assurance regarding the Management's review.

Our responsibility in connection with our extended review of the financial statements is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or with the knowledge we have gained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review meets the disclosure requirements in the Danish Financial Statements Act.

As mentioned above in the paragraph "Basis of adverse opinion", it is our opinion is adverse due to the lack of informationen regarding significant uncertainties relating to going concern, where the company will not be able to fulfill its liabilities. For the same reason the Management's review is not in compliance with the Danish Financial Statements Act

Management's Review

The Company's principal activities

The Company's principal activities consist in shipping trading and business thereto.

Development in activities and financial matters

The Company's Income Statement of the financial year 1 January 2017 - 31 December 2017 shows a result of DKK -166.269 and the Balance Sheet at 31 December 2017 a balance sheet total of DKK 901.168 and an equity of DKK 352.164.

Post financial year events

The company will be closed in 2018.

Accounting Policies

Reporting Class

The Annual Report of PGSC Shipping A/S for 2017 has been presented in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B, with the adoption of individual rules from class C.

The accounting policies applied remain unchanged from last year.

Reporting currency

The Annual Report is presented in Danish kroner.

General Information

Basis of recognition and measurement

Income is recognised in the Income Statement as it is earned, including value adjustments of financial assets and liabilities that are measured at fair value or amortised cost. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the Income Statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the Income Statement.

Assets are recognised in the Balance Sheet when it is probable that future economic benefits attributable to the asset will accrue to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the Balance Sheet when it is probable that future economic benefits attributable to the asset will flow out of the Company, and the value of the liability can be measured reliably.

At initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Certain financial assets and liabilities are measured at amortised cost, which involves the recognition of a constant effective interest rate over the term. Amortised cost is calculated as original cost less repayments and with the addition/deduction of the accumulated amortisation of the difference between the cost and the nominal amount. This way, exchange losses and gains are allocated over the term.

In connection with recognition and measurement, consideration is given to predictable losses and risks occurring prior to the presentation of the Annual Report, i.e. losses and risks which prove or disprove matters which exist at the balance sheet date.

Income Statement

Gross profit/loss

The Company has decided to aggregate certain items of the Income Statement in accordance with the provisions of Section 32 of the Danish Financial Statements Act.

Revenue

Income from delivery of services is recognised as revenue as the service is delivered.

Accounting Policies

Other operating income and expenses

Other operating income and expenses comprise items of a secondary nature to the principal activity of the Company.

Other external expenses

Other external expenses comprise expenses regarding sale and administration.

Staff expenses

Staff expenses comprise wages and salaries, pensions and social security costs.

Other staff expenses are recognised in other external expenses.

Financial income and expenses

Financial income and expenses are recognised in the Income Statement with the amounts that concern the financial year. Financial income and expenses include interest income and expenses, realised and unrealised capital gains and losses regarding securities, debt and foreign currency transactions, dividends received from other equity investments, amortisation of financial assets and liabilities as well as surcharges and allowances under the tax repayment scheme.

Tax on net profit/loss for the year

Tax on net profit/loss for the year comprises current tax on expected taxable income of the year and the year's adjustment of deferred tax less the part of the tax of the year that relates to changes in equity. Current and deferred tax regarding changes in equity is recognised directly in equity.

Balance Sheet

Other investments

Deposits are measured at cost.

Receivables

Receivables are measured at amortised cost which usually corresponds to the nominal value. The value is reduced by write-downs for expected bad debts.

Accrued income, assets

Accrued income recognised in assets comprises prepaid costs regarding subsequent financial years.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand as well as short-term securities with a term of less than three months which can be converted directly into cash at bank and in hand and involve only an insignificant risk of value changes.

Equity

Proposed dividend for the year is recognised as a separate item in equity.

Accounting Policies

Provisions

Deferred tax

Deferred tax and the associated adjustments for the year are determined according to the balance-sheet liability method as the tax base of all temporary differences between carrying amounts and the tax bases of assets and liabilities.

Deferred tax assets, including the tax base of tax losses allowed for carryforward, are recognised at the value at which they are expected to be used, either by elimination in tax on future earnings or by set-off against deferred tax liabilities in enterprises within the same legal entity and jurisdiction.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax.

Current tax liabilities

Current tax liabilities and current tax receivables are recognised in the Balance Sheet as calculated tax on the expected taxable income for the year, adjusted for tax on taxable income for previous years as well as for tax prepaid.

Contingent assets and liabilities

Contingent assets and liabilities are not recognised in the Balance Sheet but appear only in the notes.
